Sir,

I have the honour to state that against the two posts of Temporary Maistries sanctioned in G.O.No.L-5408-10-ML-15-44-74 dated 4-12-44, one Mr. Venkatesiah a brahmin has been appointed on Rs. 25/- + 7 D.A. per month as no non-brahmin candidate could be had for the small salary that the post carries. This candidate who, I understand, has previous experience of P.W.D. work had to be employed in the interest of work. However, the Temporary Maist now appointed will be replaced as soon as a non-brahmin candidate i forthcoming

In the circumstances, I request that the tentative arrangement may kindly be approved.

OFFICE OF

Date 17th March 1945

To

The Secretary to Government,
Law Department, Bangalore.

Sir,

With reference to your letter No. L-9137 dated 13th March 1944 pointing out that the appointment of Venkatesaiah a Brahmin candidate as a Temporary Maistry is not regular in as much as it is not in conformity with C.R.B. rules etc., I have the honour to state that a non-brahmin candidate by name P G Sivakumar was first taken as a Temporary Maistry on Rs. 30+7 D A. in the month of November 1944, but that person after working only for eighteen days left the job as he evidently did not find the emoluments that it carried sufficiently attractive. The other post on Rs. 25 + 7 D.A. was kept vacant till very recently as no non-brahmin candidate was forth-coming. But as the works are in progress and as the help of the two temporary Maistries is found to be now essential I had to fill up these vacancies and as per provision contained in para 3 of G.O.No.P W. 2501-4 dated 26-9-1942 Venkatesiah was appointed in the absence of a Backward community candidate and the matter was also submitted to you on the day of his appointment for obtaining kind approval of Government thereto.

In these days when it is easy to get employment elsewhere on favourable terms it has become very difficult to get men for our works. As such, it would not be possible to expect any particular candidate to wait till communication of sanction is received for his employment. Taking all these aspects into consideration, I appointed Venkatesiah as Maistry on a tentative basis in anticipation of approval However, I shall in future obtain approval of Government to similar appointments in accordance with the G.O. I therefore request that the appointment of Venkatesiah may kindly be approved till I can get a Backward Community candidate, as a special case as otherwise the works on which he is engaged will suffer to a considerable extent

The same remarks apply to the case of P.V.Ramachandran also whose appointment as Temporary Maistry on Rs.30 + 7 D.A. was submitted for approval in this office letter No.318 dated 12-3-45. I will replace these two men by backward community candidates, immediately the latter become available

In the circumstances, I request that my action may kindly be ratified and approval to the tentative appointments communicated.

I have the honour to be,
Sir,
